## STAKEHOLDER FEEDBACK - ACTION TAKEN REPORT

ACADEMIC YEAR - 2022 - 2023

STAKEHOLDERS		STUDENTS
No. of Responses		528
S.No.	Suggestions	Plan of Action / Action Taken
1	Practical based learning should be increased on emerging technologies	Departments conducted Workshops, skill development training with Hands -on session and Industrial project training for increase the practical exposure of the students.
2	Industry visit to be increased	A part of curriculum, local and out-station industrial visits for all the departments were arranged.
3	Need more soft skill training programs	Soft Skill and Aptitude training are conducted through training and placement cell to enhance the student's preparedness for placement drives.
4	Club and professional society activities to be encouraged	A separate day for club activities provided in the time-table. Various guest lectures have been arranged through department association.
5	Students are keen to develop their interpersonal skills for career growth.	Programs were organized through Placement cell to develop their interpersonal skills.
6	Introduce more interactive and collaborative learning methods	Faculty members instructed to implement more activity based learning and peer to peer learning methods.
7	Facilitate more interactions with alumni who have successfully transitioned into their careers	HoDs are informed to contact the potential alumni and to organize more "Alumni talk" sessions.
8	Hackathon to be organized	Hackathon organized for develop students competitive skills
9	Students are interested in internship	Internship were arranged for students on their respective discipline
10	Placement training to be increased	Students are provided extensive training for placement through external experts.

## STAKEHOLDER FEEDBACK – ACTION TAKEN REPORT

ACADEMIC YEAR – 2022 – 2023

STAKEHOLDERS		FACULTY
No. of Responses		68
S.No.	Suggestions	Plan of Action / Action Taken
1	New teaching techniques	IQAC has planned to introduce Lecture Series where faculty would record their lectures and upload on the YouTube channel created by respective departments.
2	Harmonize the theoretical and practical components within the course	Experts were invited to conduct seminars, sharing practical insights with the students
3	Awareness about the recent and latest development among teachers	Administrative support was provided to faculty for participating like seminar, workshop, conference etc.
4	Faculties expected Continuous self-learning process to enhance the knowledge towards subjects.	Faculty members are motivated for attending the FDP's, workshops, NPTEL courses and also for publishing research paper in reputed Journals.
5	Faculty also felt that the placements and internship opportunities by the college needed improvement.	Regular discussions with both faculty and students were conducted to assess the effectiveness of the implemented changes and to identify any additional areas for enhancement.
6	Responsibility towards our society to be imparted to students	NSS arranged several programs to students

## DEPARTMENT OF AGRICULTURAL ENGINEERING

### STAKEHOLDER FEEDBACK - ACTION TAKEN REPORT

#### ACADEMIC YEAR - 2022 - 2023

STAKEHOLDERS		STUDENTS
S.No.	Suggestions	Plan of Action / Action Taken
1	Students Attendance to be monitored	Mentors have been instructed to monitor the students' attendance and report to the HoD for necessary corrective actions.
2	Club and professional society activities to be increased.	A separate day for club activities provided in the time-table. Various guest lectures have been arranged through department association.
3	Regular internship in each semester is required	Students will be allowed for internship in companies during semester holidays
STAKEHOLDERS		FACULTY
1	No. of hours to cover the syllabus to be increased	Saturday suggested in Anna University academic calendar are changed to working days
2	Students Attendance to be monitored	Mentors have been instructed to monitor the students' attendance and report to the HoD for necessary corrective actions.
STAKEHOLDERS		PARENT
1	Agricultural related company placement training to be provided	Company specific training related to Agricultural engineering companies will be provided through external experts
2	Beyond the syllabus courses to be taught	Department specific value added courses will be taught to the students
STAKEHOLDERS		ALUMNI
1	Beyond the syllabus courses to be taught	Department specific value added courses will be taught to the students
2	Participation in other college events and sports to encouraged.	On-Duty is provided for the students attending sports events and other college events.
STAKEHOLDERS		EMPLOYER
1	Communication and soft skill training to be Improved.	Communication and soft skill training will be provided as part of placement training through external experts.
2	More exposure to industry activities required.	Industry visits, Hands-on training workshop by industry persons, internship training will be arranged.

## DEPARTMENT OF BIOMEDICAL ENGINEERING

### STAKEHOLDER FEEDBACK - ACTION TAKEN REPORT

ACADEMIC YEAR - 2022 - 2023

STAKEHOLDERS		STUDENTS
S.No.	Suggestions	Plan of Action / Action Taken
1	Company specific placement training to be provided to increase placement opportunities in core companies	Placement cell has initiated company specific training related to BME core company
2	College canteen facilities to be improved	Students suggestion has been raised with the college management and necessary action will be initiated
STAKEHOLDERS		FACULTY
1	Faculty competence can be improved by attending FDPs/Workshop	Faculty members will be encouraged to attend workshop/FDP and conference. Financial support will be provided in terms of registration fees, TA, boarding and lodging expenses.
2	Students Attendance to be monitored	Mentors have been instructed to monitor the students' attendance and report to the HoD for necessary corrective actions.
STAKEHOLDERS		PARENT
1	BME related company placement training to be increased to improve the placement	Pre-final year and final year students are provided extensive training for placement through external experts. Company specific training will be provided to improve the placement
STAKEHOLDERS		ALUMNI
1	Company specific placement training to be provided	Company specific training like hands-on training for coding
2	Beyond the syllabus courses to be taught.	Value added courses in various fields provided.
STAKEHOLDERS		EMPLOYER
1	Practical oriented knowledge to be improved.	More emphasis is provided to practical oriented teaching-learning process through laboratories.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

### STAKEHOLDER FEEDBACK - ACTION TAKEN REPORT

ACADEMIC YEAR - 2022 - 2023

STAKEHOLDERS		STUDENTS
S.No.	Suggestions	Plan of Action / Action Taken
1	Hands-on-training on latest tools relevant to cse may be provided	Hand-on-training on tools used in the industry such as will be conducted to bridge the gap between industry and academics.
2	Mentorship by senior is needed	Mock interviews will be planned and conducted by alumni students to provide the mentorship.
STAKEHOLDERS		FACULTY
1	Industry specific hands-on training in needed	Department will sign up MoU's with industry partners to bridge the gap between industry and academic.
2	Attending FDP / Workshop / Conferences are to be encouraged	Institute will extend all the support for attending the programs in reputed institutions. All the expenses in terms of registration fees, travel and lodging expenses will be reimbursed.
STAKEHOLDERS		PARENT
1	Frequent Parent teachers meeting need to be arranged	Parent teacher meeting will be conducted in the department
2	Lack of attendance and internal Assessment marks need to be shared to parents	Attendance and internal assessment marks will be shared through mobile messages as well as on the time of parent teachers meeting.
STAKEHOLDERS		ALUMNI
1	More hands-on and practical approach is to be given to the students	More hands-on workshops, guest lecture will be arranged under coder series and bits and bytes.
2	Industry specific project need to be given as mini project to get the industry exposure	Industry collaborated mini-projects will be assigned to the students from second year onwards
S.No.	Suggestions	Plan of Action / Action Taken
1	Project Documentation, use case identification skills need to be improved	During final year project work special attention will be given to project report preparation and importance will be given to problem statement identification.

**DEPARTMENT OF MECHANICAL ENGINEERING**  
**STAKEHOLDER FEEDBACK - ACTION TAKEN REPORT**  
**ACADEMIC YEAR - 2022 - 2023**

STAKEHOLDERS		STUDENTS
S.No.	Suggestions	Plan of Action / Action Taken
1	More events to be organized as a part of mechanical engineering association	More number of invited lectures will be organized. Students to find good speakers from industry and to organize one or two talk per month
2	Industrial Visit needed to improve knowledge	Students have undertaken many industrial visits for getting industrial exposure.
STAKEHOLDERS		FACULTY
1	Faculty expected continuous self-learning process to enhance the knowledge towards subjects	Faculty members are motivated for attending the FDP's, workshops, NPTEL courses and also for publishing research paper in reputed Journals.
STAKEHOLDERS		PARENT
1	Give confidence to the students to face placement interviews	Training on soft skills and core subjects will be provided. Mock interviews will be held so that students can face real interviews with confidence.
2	Wards to get placed in good core company	Many core and software companies will be invited for student's placement. The students can choose based on their interests.
STAKEHOLDERS		ALUMNI
1	More internships and in plant training is required	At the end of 4 <sup>th</sup> semester all students have to do in plant training and at the end of 6 <sup>th</sup> semester all students have to do internship.
2	Work on system development projects to be encouraged	More system development projects will be introduced in the coming year.
STAKEHOLDERS		EMPLOYER
1	Ability to work independently needs to be improved.	The project guides need to ensure that there is individual contribution as well as team contribution while carrying out the academic projects.
2	Documentation and Presentation skills need to be improved	More presentation to be included along with the theory subjects. Help of the English department will be sought for improving skills.
